The Son's Supremacy! - Heb. 1:1-4

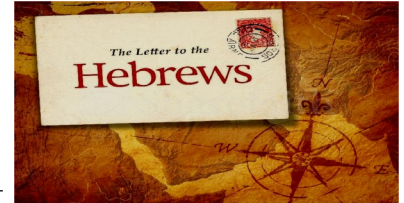

Sadly, we live in a world where it's far too common to find men and women alike presenting themselves as though they're better than others! Even as believers in Christ Jesus, we can fall into the trap of being more self-focused than Christ focused. This can reveal itself in different ways and degrees, but the root cause is the same. It's when we're struggling with our worth and value being found in Christ alone. May God help us all.

One way God desires to set us free is by helping us to see

Christ Jesus for who He is and who we are in Him! This week at CPC, we'll be starting a new study through the book of Hebrews and it definitely highlights the supremacy of Christ.

As we begin our study through Hebrews, written most likely in A.D. 64-66, it's important to understand the author's intention even though he is unknown. His purpose was to present Christ Jesus, declared as the Son (*Messianic title—Ps. 2*), to be above all others! He didn't want his readers, who were Jewish Christians, to turn back to the emptiness of Judaism under the pressures of persecution! He wanted

them to press on to the end through unwavering faith in Jesus Christ.

The title of my message this week is "**The Son's Supremacy**" from Hebrews 1:1-4. My prayer is that our study through Hebrews will be life changing for everyone of us starting with me! Be assured we can never ask too much of the Lord, but we can ask too little.

If you are in Kingman, I hope to see you at CPC at 9:30am this Sunday!

Connecting at CPC - May 11th

Here it is!!! The final details have been worked out for those in their 40's and above to have an opportunity to connect and spend some time together like for those in their 20's and 30's recently. I am excited to let you know that Mark & Shelly Kregler are opening up their home to us!

On Saturday, May 11th, from 6-9pm there is an opportunity for those 40 years old and older to hang out and get to know one another better.

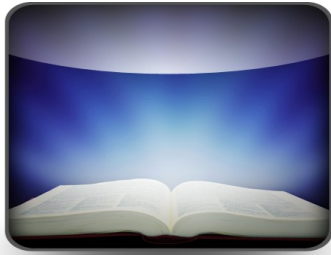

We have a number of activities planned like volleyball, horse-shoes and other activities. But if you just want to come and enjoy the evening with others from among the CPC family, that's great too!! There is, however, no childcare available.

We'll be cooking hamburgers and hot dogs as well as providing Subway sandwiches, pizza, drinks and chips!

If you're interested in being a part of this, we need to hear from you by 5pm today, Thursday, May 9th, so we can accurately plan for enough food. You can email, call or text me (262-442-6719) and I will share Mark and Shelly's address with you.

Ministry Opportunities at CPC

Connection Point Church is not just a building. It is a group of believers in the Lord Jesus Christ who are seeking to be intentional about growing in their faith and fellowship with one another. One way we seek to do this is by plugging into various areas of ministry that make it possible for CPC to be a place where we can all discover in greater ways who God is and what His Word has to say to us! We would like to ask you to pray about where the Lord Jesus might want you to serve as part of the CPC family. Here are some opportunities for you to consider and the person to speak with if you are interested.

Children's Ministry

We recognize that children are an important part of the CPC family and have created a safe and nurturing place for children of all ages from infants up to 10 years old during our Sunday morning services. We have a Nursery (age 0-4) and Children's Church (age 5-10). Classrooms and programs are specially designed for each age level. If you'd like to be part of the team to have an impact in the lives of the CPC children, we would be thrilled to have you join us. There is an application process and training session that is open for those who have regularly attended CPC for six months and desire to work with the children the Lord has entrusted to us.

Point Person: Pastor Dave or Patti Hodgdon

CPC Caregivers

There are times when, within a fellowship of believers, trials and difficulties come about in which people need help and assistance. CPC Caregivers is a ministry which provides our regular attending church family with temporary help in times of sickness or injury. If you have a need, or know of someone in our fellowship who needs a little help, please contact Lyn. Also if you would like to join with others in the CPC family to help provide a meal, run an errand, lend a hand with light housekeeping or maintenance when a need arises, please contact Lyn Griffith at 928-303-3011.

Point Person: Lyn Griffith

Facilities Care & Maintenance

If you are looking for a way to use your time and ability, this may be a perfect fit. We are always looking for those who can help keep our property and buildings in the best of condition. There are opportunities to be a part of the weekly cleaning team, grounds maintenance or building maintenance.

Point Person: Bud Hillemeier or Roy Anhalt

CPC Café, Decorations, & Communion Set-up

Sometimes it takes just a little something to make a big difference. Each week we seek to have coffee and tea ready for anyone needing a little boost. We're looking for those willing to arrive just a bit early and set things up as well as those who make sure everything is cleaned up after the Sunday morning service. But perhaps helping with decorating for a particular season of the year would be where your talents could be used even more. We also need people once a month who are willing to set up or clean up for Communion. If you're able to be a part of any of these ministries, it would be sincerely appreciated.

Café Point Person: Jo Matney

Decorations Point Person: Tyler & Brittney Jacobson

Communion Point Person: Ginny Whitton

CPC Greeters and Ushers

As people arrive for Sunday morning services, we want to make sure we have people ready to welcome them and help them feel at home. If you would like to be a part of greeting new comers, visitors, or the regular CPC family on Sunday mornings, we would love to include you!

Point Person: Gary Messer or Casey Gordon

CPC Prayer & Praise
